PLAY. LAUGH LEARN

Court Kids Camp is a high-energy, play-based camp for ages 5 - 8, designed by coaches who are experts in both tennis instruction and early childhood development.

Through engaging weekly themes, kids build their ABC's (Agility, Balance & Coordination) while learning on smaller courts with right-sized equipment and age-appropriate games that keep them confident and excited to play, encouraging teamwork, and sportsmanship, and friendships that spark a lifelong love of tennis and sport.
